

IML SUPPORT FORM

Test and Measuring Instruments for Trees and Timber Structures

• IML Support Form

Inspection Service / Repair Works

Avoiding Consultation & Guarantee to deliver on schedule

To help speed up the service process on your instrument, we ask you to fill out the IML Support Form, which asks for your shipping address, serial number of the instrument, date and signature. **Note:** The pdf-file can be filled out from your customer electronically on the screen and then print out for faxing.

Important Note:

Please make sure to tell us about your concern with the instrument before sending the equipment. This will ensure a quick turnaround of your instrument since we know that your equipment is coming to us and we will have a better idea what the issue might be! Please make sure to send us your instrument within the filled out IML Support Form.

Please fill out!
